

Please contact us - we'd like to hear from you!

This website contains links and attachments to give you as much information as possible about the **Arriva Fun Day**, but if you'd like more details about the event, then please contact us on **01622 697000**.

Anyone who would like to bring entertainment to the show is welcome to do so, as the more we have for visitors to see and do, the happier people will be!

A leaflet is attached to this site in PDF format, on the back of which is a booking form. You can also click on the 'contact us by e-mail' link on the home page to send an e-mail if you wish to ask a question.

We'd love to hear from anyone who would like to show a craft or sell their home-made produce, or maybe display a vintage car, or perhaps bring a display for a club or society they are involved with.

There is no charge to join us for the day, but we would be pleased if you could make a voluntary donation to the charities we are supporting this year.
